TOP DOGS PACKAGE

For over 20 years, the Top Dogs have been one of our most reputable and passionate supporter groups and for those looking to increase their level of support for the Western Bulldogs this is a great starting point.

You have the option of dining before the game with our Top Dogs Carvery / Buffet menu and half time supper.

In 2013, you will receive two (2) dining passes per package to utilise at a home game of your choice.
